Subject: RE: Faversham Creek Neighbourhood Plan : Minor Modifications Schedule.

Dear Mr Eastham

Thank you for supplying the updated schedule of minor modifications and statement of common ground document for the Faversham Creek Neighbourhood Plan dated 30th March 2015, including the Town and Borough Councils' amendments.

Without prejudice to comments that Historic England might wish to make on individual development proposals that may come forward under the Neighbourhood Plan, I am happy to confirm that subject to the modifications being accepted the revised Neighbourhood Plan would address the concerns raised in our response to the consultation on the submission version of the plan dated 18th December 2014. As such, we would be happy to confirm that within the areas of interest to Historic England the plan would meet the basic conditions and would receive the support of Historic England.

Please extend my thanks to the members of the Neighbourhood Plan Committee and Officers of the Borough Council for the positive process of collaboration on agreeing the recommended minor modifications, which we hope will ensure the plan helps to sustain and enhance Faversham's special historic character for the future.

Yours sincerely

Robert Lloyd-Sweet
